

# “Pie Guys” Summer 2010 Personal Bible Reading Guide

## “PROIAPT”

- Monday:** P-ray: Prayer to approach Bible reading with a heart of openness and need.  
**Tuesday:** R-ead: Just read it, as many times as you can.  
**Wednesday:** O-bserve: Go back and make observations.  
**Thursday:** I-nterpret: What did it mean to the original audience? What does it mean to the church today? Commentaries are OK to use, but one can figure this out without them.  
**Friday:** A-pply: How can I put it into practice this week?  
**Saturday:** P-ray: Prayer to be filled with the Holy Spirit to do what we know we should do.  
**Sunday:** T-ell: Let someone know what you learned.
